

Voluntary Statement From At. 8-27-97
Maurice Bernard Hawkins 2:09 P.M.
J.M.J.

Ap. 2 days prior to 7-3-97 at ap.
3:00 A.M. While in The Lufloor County Jail,
I was sitting up playing Solitaire with
Curtis Flowers.

Curtis suddenly said, "MAN I hate I
did that."

I asked "Did what."

Curtis said, "I had to Kill my own cousin."

I asked, "Why did you have to Kill all of them?"

Curtis said, "It was some thing personal."

Before getting in jail I heard there was
a large sum of money in the safe.

I asked him, "Why did you not get the
money in the safe?"

Curtis said, "It wasn't about the money,
It was something personal."

I asked, "What kind of gun was it."

Curtis answered, "I had a 380."

Curtis said, "I'm the only one who knows
where the gun is at."

Earlier Curtis said he was on Crack.
Curtis also said he was not worried about
being convicted, he is just waiting on
Oct. to go home.
